**What do
you
have
to do
to go
to H E L L ?**

**What do
you
have
to do
to go
to H E L L ?**

Instructions: print these two pages back to back, then cut away a half inch from the top and sides, and 2 and a half inch from/including this bottom portion. Then cut the two tracts apart so they are each 4 inches long. Every sheet of paper you use like this should give you two tracts. The inside should be blank except for the one word, "Nothing!"

Nothing!

Nothing!
